Algoma ATELIER of SCULPTURE and ART

Proudly Presents:

The 16th Annual Lost Wax Bronze Casting Class

Hosted By Full Time Sculptor & Instructor Bren Sibilsky

June 7th-11th, and June 14th-18th-2027

Learn the ancient art of bronze casting, using the lost wax process and todays technologies and materials. Students will create their own original wax sculpture, make their own ceramic shell mold and actually pour the molten bronze into their mold. Open to all skill levels. All foundry tools will be furnished. The week long classes will culminate with the bronze pour taking place on Thursday or Friday (weather permitting).

Tuition Cost: $390 plus materials used (bronze, propane, electricity, ceramic shell, sandblasting, wax, etc.) Bronze cost will be based on current market price. Make check payable to Bren Sibilsky Sculpture. (A non-refundable deposit of $150 must be received by April 1st with the balance due on the last day of the class).

WHAT TO BRING:

- **Dremel with various tips (brass brush wire wheels or wire cups work well for cleaning bronze sculpture**
- **4.5 inch electric grinder with reinforced cut-off wheels and grinding wheels**
- **soldering iron for sculpting wax and other misc. sculpting tools, metal tools (like dental picks)**
- **various chisels and hammers, a handheld propane torch (and extra tanks), leather gloves and safety glasses**
- **Note: On the day of the bronze pour please wear/bring long pants and long sleeves. Also bring appropriate footwear. (No open toed shoes or sandals).**

Bren is a world class, award winning sculptor and teacher, with numerous bronze commissions throughout the United States and Europe. For more information on Bren visit her website listed below.
